

# SAMUEL CULLINAN JR.

## FRONT END DEVELOPER

### SUMMARY

---

Front end developer working towards full stack developer. Completed a Bachelor's degree from Arizona State University and a Full Stack Web Developer certification from University of Arizona's coding bootcamp. Efficient in HTML/CSS, Javascript/Jquery, and AJAX. Strong communication and skilled in time management and organization. Various projects lend knowledge to efficiently create, modify, and handle responsive websites. I am excited to always learn new things as well as working with a team to collaboratively find and create innovative solutions. My previous experience as a supervisor across different types of teams makes me truly understand and appreciate working as a team which is a must for team development.

### EDUCATION

---

#### University of Arizona Coding Continuing and Professional Education

May 2020 – November 2020

Online Coding Bootcamp Certification

#### School of Molecular Sciences, Arizona State University
